

# YOUR BEST LOGISTICS PARTNER!

Transport your goods in the most  
secured way possible -  
anywhere, anytime.

# ABOUT AL MAHA LOGISTICS

We are here to spearhead the logistics industry into the 21st century. Al-Maha brings to Iraq and its adjacent areas the next era of logistics operations through cutting-edge technology support.

With our expertise in Industry 4.0 and state-of-the-art management systems, we provide:

-  Optimized operations
-  Better turn-around-time
-  Increased manufacturing to shelf cycle
-  Scalable and flexible services
-  End-to-end third-party logistics support

With our help, you can ensure that all your logistics and operations needs are met at the best possible level. Our mission is to help your business achieve its maximum efficiency level.

# OUR SERVICES

At Al-Maha Logistics we aim to be your all-round logistics support partner with our absolute expertise.

## TRANSPORTATION

Have your goods transported in the most secure way possible. With our fleet of 100+ distribution vehicles, we can reach anywhere, anytime.

## WAREHOUSING

We provide over 20,000 pallet positions in each of our warehouses situated across Iraq. Our state-of-the-art facilities are fitted with cooled storage options and our offerings are flexible as per your needs.

## STOCK MANAGEMENT

Access industry-best stock management with our WMS-integrated services. Gain real-time updates about your stock and have goods delivered at the touch of a button.

# OUR SERVICES

At AlMaha Logistics we aim to be your all-round logistics support partner with our absolute expertise.

**THIRD-PARTY LOGISTICS**

Al-Maha is your go-to partner for end-to-end logistics operations. From storage to shipping, order processing to cross-docking, we are the only support system your business needs.

**LAST-MILE DELIVERY**

We help you connect with your consumers directly with our next-gen logistics mechanism. Never miss out on a delivery with our ERP support and create a seamless operation for your eCommerce business.

# OUR SPECIALIZATION

Al-Maha Logistics believes in the power of technology. We are pioneers in our field.

Furthermore, our cumulative experience ensures that we are able to understand and meet client needs at every turn and deliver on all expectations.

Our state-of-the-art warehouses are facilitated with the latest management systems and cooling tech.

Our expertise in tech and management allows us to scale our services as per requirement so that you pay only for what you need.

Our services begin at the warehouses and end at the last mile. Once you have Al-Maha Logistics on board, you will never have to look for another vendor.

Our highly equipped fleet of delivery vehicles is secure and speedy and provides real-time tracking support for your goods.

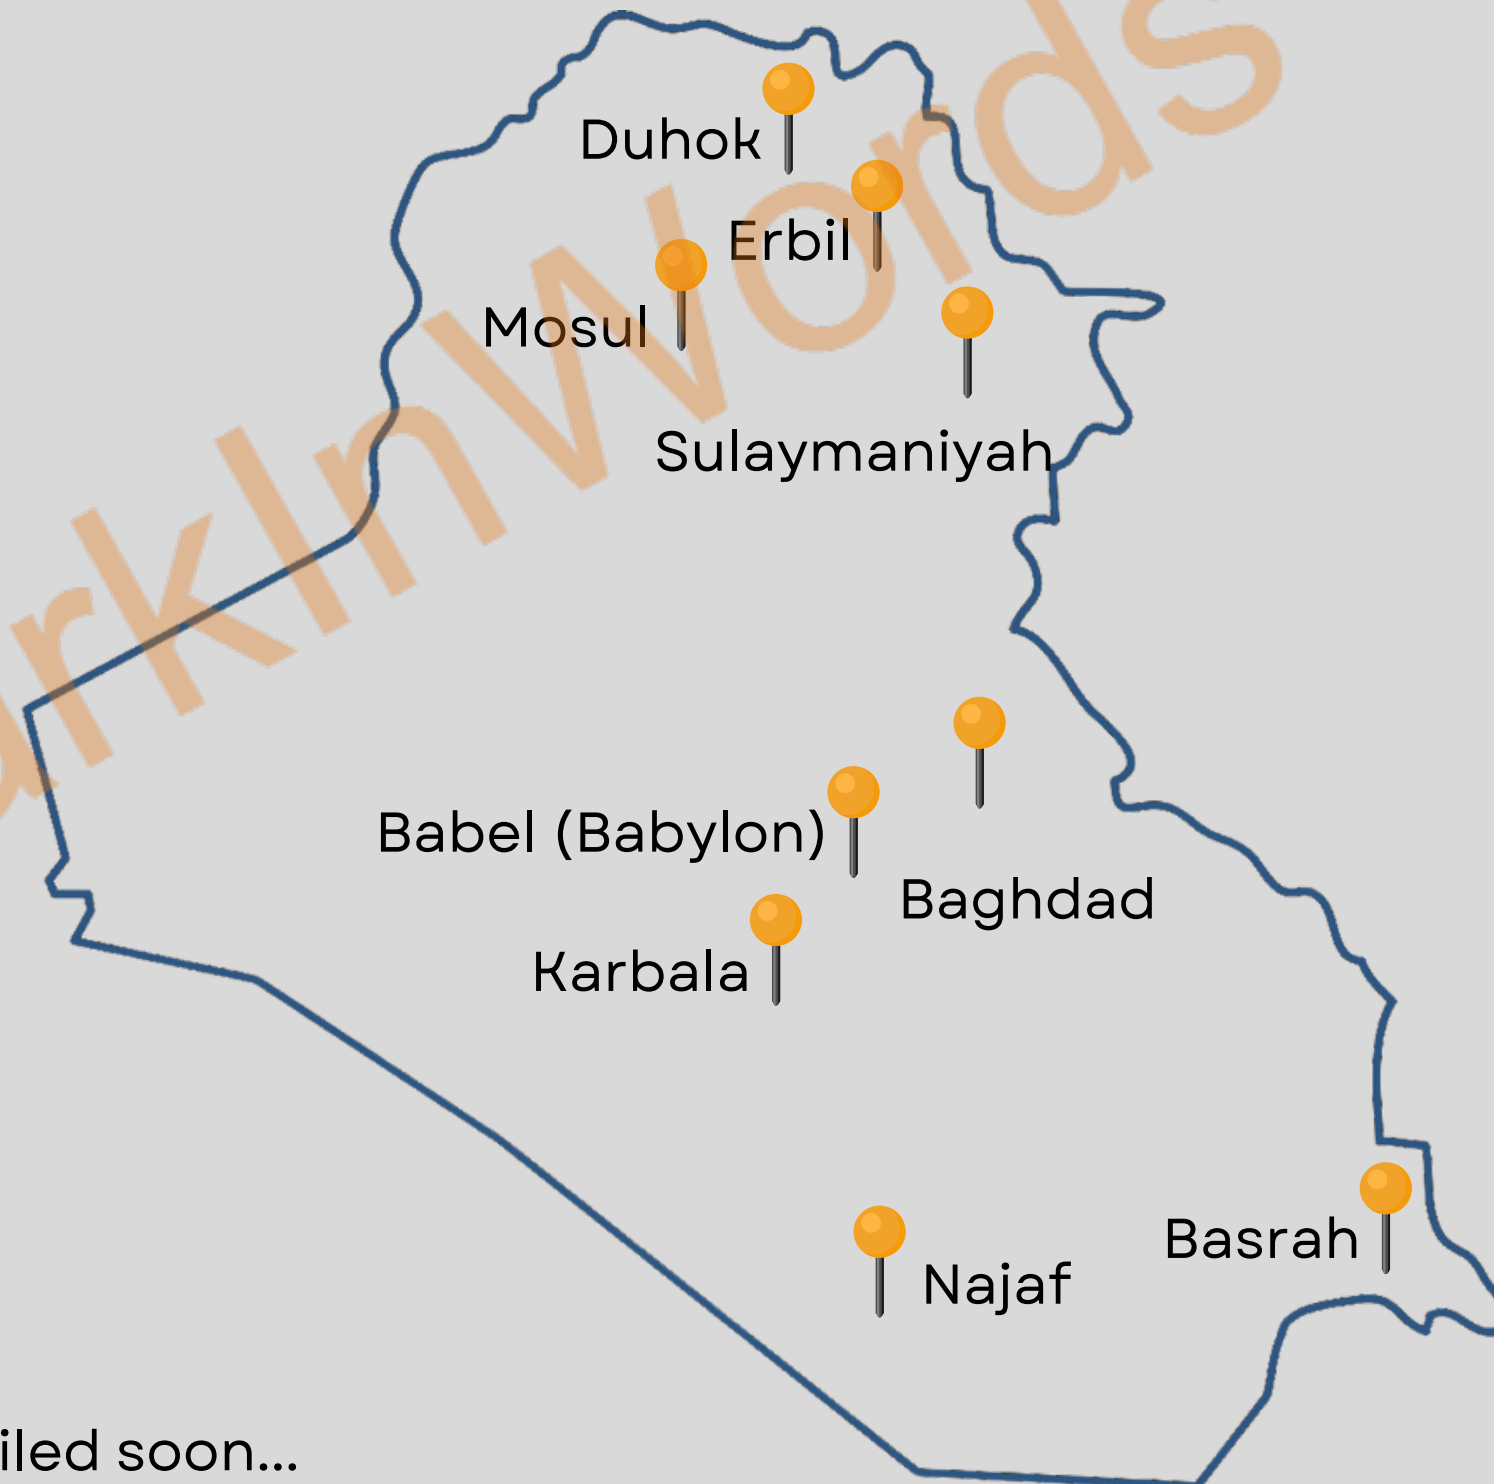

We provide cloud-supported Enterprise Resource Planning services, ensuring absolute efficiency on all fronts.

Elevate your business to the next era of logistics services. We ensure you achieve your true capability.
